ABOUT US

Amigo has been a trusted name since 1981, serving the Lebanese market. It all started in Aramoun we then took over Lebanon offering a wide selection of high-quality pulses, grains, and spices.

Our core belief at Amigo is to become a leading force in Lebanon's packaged food industry. We strive to deliver exceptional products that cater to the diverse needs and preferences of our customers. As a manufacturer and distributor, we are committed to setting new standards of excellence in the market, both for private and labeled brands.

A pair of hands is shown from the wrists up, cupping a large, golden-brown ear of wheat. The hands are positioned in the center of the frame, with the fingers slightly spread. The wheat ear is thick and textured, with many individual grains visible. The background is a soft-focus field of similar wheat stalks, creating a sense of being in a field. The lighting is warm and golden, suggesting late afternoon or early morning. The overall mood is peaceful and natural.
